The Health of the Hair

is indicated by its condition. When the natural secretions decrease; when the hair becomes dry, splits at the ends and comes out in combing; when the gloss disappears and the hair becomes gray or faded, the ill health of the hair is indicated. The success of AYER'S HAIR VIGOR is due to the fact that it restores the hair-producing organs to their natural vigor. It encourages and promotes the secretions of the hair follicles, and thus gray or faded hair regains its original

color, new growth begins, and lost lustre is restored. "They word
